PROGRAMME

HANDS-ON THIRD-PARTY FUNDING

Milan, January 13, 2017
(14.30 to 19.30)

Free of Charge

Venue:

Lombardi Molinari Segni
Via Andegari 4/a
Milan

Event description

The event is a practical-hands-on seminar on specific issues regarding third-party funding. The seminar will focus on providing participants with materials and insights on both quantitative and qualitative assessments that funders and companies make while considering whether to fund a case. The seminar will also tackle the most relevant clauses that are usually negotiated in litigation (arbitration) funding agreements.

The ICC YAF Conference will be an ideal forum for young practitioners to exchange thoughts on international arbitration, and to enrich their network in the region.
